Money Talks – Week 2

Message Summary

In this series, Money Talks, we are looking at the power money has in all of our lives. Whether we have a lot or a little, money has power. This week we will look at the power of abundance to overcome the feeling of scarcity. We are going to learn a very practical, guiding principal to help us live an abundant life.

Engaging the Word

What are some things that stood out to you in the sermon? Things you specifically related to? Things you didn't understand? Any new insight you are taking away?

Read 2 Corinthians 9:1-15

1. In your own words what are some of the main points of this section of Scripture?
2. What does this passage instruct you to believe about money?
3. What does this passage encourage you to do?
4. According to this passage, what is the result of generosity? Why is this important?

Engaging the Heart

1. Think about the idea of Abundance vs Scarcity. How have you seen these concepts play out in real life situations?
2. Read Philippians 4:12. What, do you think, is the secret of contentment in times of plenty and times of need?
3. Dave talked about a 10/10/80 approach to money. Give 10%, Save 10% and live on 80%. What do you think about this type of approach to money?

Engaging our World

Parkview will be hosting a "Money Wise" seminar on March 16. Consider making it a priority to attend - maybe attend as a group or bring a friend.

As you close in prayer, ask God to reveal to you how you can use the money you have to live the abundant life and to discover the secret of contentment.
