

# Practical Faith

## MESSAGE SUMMARY

Perfect community is impossible because we are imperfect people. Our best hope is for healthy community - which can be achieved when three relational components are present: grace, truth, and love.

## ENGAGING THE WORD

What are some things that stood out to you in the sermon? Things you specifically related to? Things you didn't understand? Any new insight you are taking away?

## READ ROMANS 15:7, EPHESIANS 4:15, EPHESIANS 5:1-2

1. What do you learn about the three relational components of healthy community from these verses (Grace, Truth, and Love)?
2. Based on these verses, why should we accept one another?
3. From Ephesians 5, what does it mean to walk in the way of love?
4. What does it mean to "speak the truth in love"?

## ENGAGING THE HEART

1. Think about a time when you have experienced healthy community. What made it healthy? How did it impact you?
2. In your experience, what makes healthy community challenging?
3. What are some ways living in healthy community can impact those who may not have a relationship with Jesus?

## ENGAGING OUR WORLD

Close your time together in prayer, thanking God for community with fellow believers and asking him for help to live out grace, truth, and love in your relationships.
